

USEFUL WEBSITES AND RESOURCES

To accompany any work that your organisation does to support Ada Lovelace Day, Building Greater Exeter has put together a list of resources that may be helpful.

Building Greater Exeter

www.buildinggreaterexeter.co.uk

Building Greater Exeter is focussed on supporting the construction sector across Exeter, East Devon and Teignbridge to address the skills and recruitment challenges it faces.

Ada Lovelace

www.findingada.com

A useful website with plenty of information about Ada Lovelace, including an Ada Lovelace podcast.

The Big Bang Careers Fair

www.thebigbangfair.co.uk

An annual careers fair, for those seeking a career in science and engineering. In 2019 Building Greater Exeter partnered with Building Plymouth and 50 of our partners to promote careers in construction. The fair was held digitally in 2020.

STEM

www.stem.org.uk

A website devoted to the learning of STEM subjects, at all levels of education across the UK.

STEM Women

www.stemwomen.co.uk

This is a useful website for anybody who identifies as a woman in STEM.

Stemettes

www.stemettes.org.uk

This organisation puts on events and delivers support for females aged 5-25 seeking or wanting to learn about, jobs in STEM.

Go Construct

www.goconstruct.org

Information and support for anybody seeking a career in the construction industry.

Women into Construction

www.women-into-construction.org

An organisation dedicated to promoting gender equality in the construction industry.

South West Women in Construction

www.swwic.co.uk

A regional membership organisation which supports women in the construction industry.

All websites addresses accurate as at October 2020.
