Lighting and Lighting Controls

## How it Works

### Want to be a part of the Green Revolution?

Becoming PAS 2030 certified and Trustmark accredited opens up significant revenue streams for installer companies

**APPLY HERE**

This project is led by The Retrofit Academy. It is funded by the UK Government through the UK Community Renewal Fund, which is managed within Devon by Devon County Council. The UK Community Renewal Fund is a UK Government programme for 2021/22. This aims to support people and communities most in need across the UK, to pilot programmes and new approaches to build community resilience and prepare for the UK Shared Prosperity Fund. It invests in skills, community and place, local business, and supporting people into employment. For more information, visit <https://www.gov.uk/government/publications/uk-community-renewal-fund-prospectus>
