Course Title	Level	Online	F2F	Blended	RORO	Course Start Dates	Link to website/ further details	Notes
Composites Technician (Apprenticeship)	3	N	Y	N	N	Now or Aug '24	Composites Technician Apprenticeship - South Devon College	A Level 3 Composites Technician apprenticeship lasts three years. Composites manufacture is the combining of materials to form a lighter and stronger rigid structure as an alternative to metal. These lightweight rigid structures are essential in the marine sector with all Princess Yachts constructed from composite materials.
