Contact: Simon Warren Tel: 01752 604713 Email: learning@greenlightsc.co.uk	Plastering (Apprenticeship)	2	No	Yes	No	Yes	Contact Training Provider	https://www.greenlightsc.co.uk/apprenticeships/plastering	The broad purpose of this occupation is to apply layers of plaster onto walls, floors and ceilings. Plastering serves a protective function, in that it makes buildings more robust and also an aesthetic function. Plasterers will often complete dry lining projects during their career. Although a person may specialise solely in dry lining, a plasterer must have the knowledge of dry lining in addition to their knowledge and skills to plaster.
	Drylining (Apprenticeship)	2	No	Yes	Yes	Yes	Contact Training Provider	https://www.greenlightsc.co.uk/apprenticeships/drylining	Dryliners use various methods to install different drylining systems that form the walls and rooms within a building. These walls are often used to hide wires and pipes whilst improving acoustics and creating space for insulation.
